	APPROVALOF STATE ENGINEER
: !	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to
folia	wing limitations and conditions: This permit is issued subject to all existin
rig	hts on the source. It is understood that the amount of water her
gra	nted is only a temporary allowance and that the final water right ained under this permit will be dependent upon the amount of wate
act	ually placed to beneficial use. It is also understood that this
<u>rig</u>	ht must allow for a reasonable lowering of the static water level
at.	permittee's well due to any other ground water development in the
<u>are</u>	a. A substantial weir or other type of measuring device must be.
I	talled and measurements of water use kept. The well shall be
	ipped with a 2-inch opening and an air line for measuring depth t
!	er. If well is flowing, a valve must be installed and maintained
	prevent waste. The State retains the right to regulate the use o
the	water berein granted at any and all times
1	water netern granted at any and all times.
